ANNUAL CLEANUP DAY TO BE OBSERVED SOON

Picnic Lunch and Sports to Be Features of Campus Day

The Annual Campus Day of Pacific College will take place next Monday, April 1. A joint committee of faculty and student body members met a few days ago and chose the eleven committees. They also appointed the student chairman for those committees and the faculty member who will act as assistant chairman of each committee. The eleven committees, their chairmen and faculty assistants are as follows:

Eats—Rachel Lundquist, Miss McCracken.

Driveway—Glen Rinard, Prof. Conover.

Canyon—Stanley Kendall, Prof. Macy.

Front Campus—William Sweet, Miss Sutton.

Back Campus—Richard Haworth, Prof. Weesner.

Athletic Field—Eldon Everest, Prof. Gulley.

Chemistry Building—Ralph Choate, Mrs. Wood.

Academy Building—Lillian Barnes, Miss Johnson.

College Building—Elisabeth Carey, Miss Betts.

Sports Committee—Ben Huntington, Prof. Terrell.

Tennis Courts—Frank Cole, Prof. Lewis.

When the committees were completed, the students were appointed to serve on a certain committee. Each one has a definite job to do. By that plan the campus should receive a very thorough cleaning. The morning will be devoted entirely to hard work. There will be a picnic lunch at noon and when all the work is done the afternoon will be devoted to sports of a varying nature. Let us hope that old Jupe will have an urgent appointment in the Great American Desert that day and give us a dry day in which to beautify our campus.

PACIFIC COLLEGE PEP BAND GIVES FINAL PERFORMANCE

The Student Chapel Committee, under the direction of Elisabeth Carey, chairman, presented a very successful and entertaining program of music and readings to the associated student body, Thursday, March 21. Following the devotional exercises conducted by Ralph Choate, a short student body meeting was held to consider the matter of Campus Day.

The college pep band, comprised of the following students: Esther Mueller, Frank Cole, Harold Smith, Richard Haworth, Burton Frost, Genevieve Badley, Eldon Newberry, Lincoln Wirt, Ralph Moore, and Ralph Choate, gave the following program of music, with readings by Ronald Sherk.

Saxophone Duet	Ralph Moore
March	Ralph Choate

WOOD-MAR HALL SCENE OF ST. PATRICKS PARTY

Irish Students of Pacific College Prove Excellent Entertainers

The Student Body of Pacific College enjoyed a very good time at a St. Patrick's party, given by the Irish of the college, at Woodmar Hall on the evening of March 16.

The students were met at the door by the welcoming committee, who pinned a green shamrock on each one. If a stranger could have heard the "Shures" and "No, Indades" he would have surely thought he was in Ireland. The object was to say "shure" for yes, and "no, indade" for no. If they didn't they forfeited their shamrock. There was much excitement and exchanging of shamrocks. One girl succeeded in winning ten shamrocks. The first part of the evening was spent in playing such games as "Poison Penny," guessing games, the egg blowing contest, etc. One of the most interesting games was the game, "Are you there, Kelly?" Two boys were blindfolded and a soda cracker tied on the top of each one's head. They then knelt, facing each other with one of their hands on a book between them. They were each given a long rolled up newspaper and then the fun began. The object was to break the cracker on the opponent's head. They swung wildly at each other, hitting every place but the cracker. Sometimes the roll of paper would saw swiftly through the air only to hit on the floor. Finally the battle was won and a cracker was shattered. It was a thrilling battle and was thoroughly enjoyed by the spectators.

Partners were then chosen and all adjourned to the chapel where an interesting program was given. It consisted of: a reading by Della Hanville, a clever skit entitled "Macbeth and Macduff" by five boys; two saxophone solos by Ralph Choate; a vocal solo by Burton Frost, accompanied by Professor Hull; another short skit in four scenes showing how a movie is made.

Following the program the group was divided into three families, the Caseys, the O'Briens and the Murphys. Then followed a very thrilling nut hunt. After the hunt refreshments of shamrock ice cream and shamrock cookies were served.

The Irishman who made the party a success was Dennis McGuire (Three rousing cheers for Dennis!).

QUAKER GIRLS' SEXTET LOSES FINAL GAME TO REED GIRLS

Playing a spirited game against a much larger team, the Pacific College girls' basketball team held the Reed College girls' team to the close score of 42-30. This game, which was the finale for the local girls, was played on the P. C. floor, Tuesday, March 19, starting at 7:00 p. m.

The Reed "fems" outplayed the Pacific aggregation throughout most of the game and were never in very serious danger except in the fourth quarter. In this canto the team, led by Captain Esther Roberts, made a determined effort and brought the score to within six points of the Reed total. Reed called time out at this juncture and from then on the tall Reed for-

ROLAND HAYES CONCERT THRILLS GREAT CROWD

Famous Negro Tenor is Rightly Called an Artist of Music

It was the privilege of a number of students and faculty members to attend the Roland Hayes concert at the Portland Auditorium on the evening of March fifth. The house was crowded from gallery to pit with appreciative admirers of the colored singer, yea, artist, for he was a perfect master of himself and the stage. No less an artist was the accompanist, Percival Parham.

Hayes' program was divided into three groups to include the classical songs in French and German, another group in English and a third group of negro spirituals. All was perfectly done, but his second group received the heartiest response from the audience, to which he in turn responded most graciously with encores, and repeated the song, "The Pool." This song, of exceeding brevity of composition, was rendered in such a perfect manner as to be the outstanding number of the concert. It was a perfect miniature in song. Singing the spiritual songs of his race first won Roland Hayes recognition, and he sings them perfectly; but there was somewhat a feeling of regret within the listeners as he turned from the classical, for in that he was such a master, to the spirituals. Having so graciously responded with encores during the program, Hayes' only final encore was a negro spiritual, "Were You There?" which he sang without accompaniment, the tones of his sweet tenor voice interpreting the feeling of the song and completely hushing the audience of thousands of people.

During the entire concert Hayes did not make any dramatic "show" of himself or his voice. His modest simplicity and sincerity of every action led the audience to look beyond the black face to the man, the artist.

Those from Pacific who attended the concert were: Miss Verplank, Rachel Lundquist, Elinor Whipple, Horace Terrell, Ralph Choate and Charles Beals.

NEWBERG PEOPLE WITNESS STATE CHAMPIONSHIP GAMES

Several Pacific students and Newberg folks were privileged to attend the final two games in the state high school basketball tournament held at Willamette University, Saturday night, March 16. Washington High defeated Wallowa to win first place in the consolation tournament and third prize for the championship division. Medford High (where Governor Terrell hails from) defeated Astoria for the title of "state champs." Those attending were Governor Terrell, Professor Gulley, Ben Huntington, Walter Taylor, Frank Cole and Joe Wilson.

ACADEMY ELECTIONS PLANNED

At a student body meeting on Monday, March 18, the matter of getting a better grade of letters for basketball men was discussed.

The planning of Academy elections proved quite a problem, and it was decided to lay the matter on the table until the extent of next year's student body can be officially ascertained. If elections are held, the fourth years will have charge of a party system.

CLASS SEES COURT OF DOMESTIC RELATIONS

Court Proceedings Interest the Students of Sociology

The nine members of the college Sociology class, accompanied by their instructor, Prof. Emmett Gulley, Mrs. Gulley, and Miss Verplank, instructor of English of Pacific Academy, were visitors at the Court of Domestic Relations of Portland, Thursday, March 2.

Although it is not customary to hold court on Thursdays, by special arrangement with Judge Gilbert the court was in session for the entire day, and a special group of cases were presented and tried for the benefit of the class.

From approximately 10 o'clock in the morning until 5 o'clock in the afternoon members of the class witnessed one of the most interesting occasions of their experience. Seated close to the cases upon trial, the class was able to witness the procedure of a very interesting and varied group of juvenile cases, from truancy to immoral delinquency, from theft to infant adoption; each different from the others, and each filled with the pang of sorrow caused by unfortunate conditions. Practically every case was the result either directly or indirectly from broken homes, caused from death or by law.

Another interesting feature of the day was the visit by the class to the jail, located in the same court building. The class was graciously shown through the jail by the officials, and had the opportunity to inspect the prisoners and cells. Approximately 400 prisoners lined up for inspection in the men's division, and but 15 in the women's department. Most of the prisoners were very young in appearance, most of which appeared to be between the ages of 20 and 40. Conditions in the women's department seemed to be much better than in the men's division.

The trip was a most profitable one for the students and created much interest for all of the members of the party.

Those making the trip were: Rosa Aebischer, Rae Lundquist, Margaret Jackson, Elisabeth Carey, Miss Verplank, Mrs. Gulley, Glen Rinard, Kenneth Yergen, Ervin Diment, Philip Gatch, Stanley Kendall, and Prof. Gulley. Prof. Gulley and Ervin Diment took their cars to accommodate for transportation.

The following people visited the Domestic Relations court of Portland for the afternoon session, with the college Sociology class Thursday: Genevieve Badley, Frank Cole, Generva Street, Helen Whipple, Professors Terrell and Mathers. Prof Terrell furnished transportation for the group.

FRESHMEN READY TO BEGIN WORK ON THEIR CLASS PLAY

"Come Out of the Kitchen," a three act comedy written by E. A. Thomas, has been selected by the Freshmen class as their play and is to be presented April 26. According to Mrs. Wood, the coach, the cast will be chosen and work will be started as soon as the eligibility lists are completed.

OUR CAMPUS

Several days ago a speaker in chapel gave us an exceedingly interesting talk in which he told us how fortunate we were in going to school in such a beautiful valley and such a clean and pretty little city. I enjoyed that talk because I got from it the viewpoint of a person who has not lived here for long and who has traveled much and can make accurate comparisons of this valley with other spots of more or less natural beauty. As I listened to the talk I began to wonder if we as students really do appreciate, as we should, the natural beauties of our surroundings.

A few days after having heard the talk I went back up on the top of Chehalem mountain in the evening just after sunset. From such a height I looked out over the valley and saw the farms marked off in much the same form as a crazy-quilt pattern, with small groves of trees making darker green spots against the background of open fields. In the west I could see the uneven horizon of the mountains, and the sky above them was dull gold which rapidly faded to a purple gold and finally to a deep blue. The lights of the valley began to show more plainly and made a lovely spectacle against the now dark valley floor. The moon came out in all its brilliance and the valley took on a most beautiful appearance. There was about everything that soft radiance that only moonlight can give. I sat for some time and watched the great panorama spread out before me and compared it in my own mind with other beauty spots of the country that it has been my privilege to see.

I came back to the campus with a greater appreciation of the fact that I am attending Pacific College at Newberg in this beautiful northwest. Our own campus compares very favorably with campuses of great schools on which large sums of money have been expended.

It is not long until our annual "Campus Day" and we will give our campus its spring cleaning. A pleasant environment is an important factor in success in any line. Whether or not it is realized at the time, everyone is more or less influenced by the surroundings. If we give our campus a thorough cleaning and then keep it clean, we will be better able to give the best in us to our work.

The chapel speaker that morning gave us a challenge. First, look about you and realize the beauty on every side; and second, tell others about these advantages we enjoy and thus help our school to grow. Should we neglect such a challenge?

The Willamette Valley Tennis tournament will take place at Linfield college, May 17 and 18. Pacific should have entrants for every event so that means much hard practise on the part of the teams. Anyone interested in tennis still has a very good chance of getting on the teams. Better try it!

TRACK NEWS

Track, a sport at Pacific College for the first time in fifteen years, is "coming right along." Despite the fact that there are but ten fellows turning out, we have, considering the size of P. C. a wealth of material. Coach Gulley has developed an immense amount of interest developing into the proverbial "bacon" which Pacific does its best to bring home in all sports.

So far, the best distances in the field events, the discus, shot put, and javelin, are all held by Dick Everest, although no true measurements have yet been taken. Dick Haworth is runner up in all these events.

In the high jump, Bob Bissett sits on top of 5 ft. 1 in., with Dame McKibben and Link Wirt close behind.

The pole vault also falls to Bob at 8ft. Fred Harle and Smitty, however, are threatening that mark.

The running events are slightly better. The 100 yd. dash has been clocked at 10.5 seconds for both Bob Bissett and Link Wirt, while Dick Everest and Dame McKibben are but a step behind.

The distance runs have all been swiped by the mighty Dick Haworth, who has left his opponents all running backwards. Dick copped the two-mile in 11 minutes, 7 seconds (11:7), the mile in 5:25, and the half-mile (880 yds.) in 2:21. Swede Hanson is a good second in this event with 2:30 to his credit. Spike Thorne and Fred Harle are also in the running.

The quarter-mile (440 yd.) run is another tie, between Dick Haworth and Link Wirt, the time being 1:3.

The 220 yd. dash, 120 yd. high, and 220 yd. low hurdles, and the broad jump have not been attempted so far, though they will probably be entered by Bissett in the high hurdles and the broad jump, Bissett and Everest in the 220 yd. dash, leaving Bill Wood, McKibben and Wirt for the low sticks. Errett Hummel is general utility man.

There are, so far, but three Academy students out for track, and two of them are Second Years, but Bob Bissett, manager, is issuing a call to all Academy students to turn out and make up the rest of the semester's gym credit.

The above marks and times are the result of but two weeks of practice, but by the time of the conference meet at Monmouth, May 11, with the backing of all true Pacific students, the fellows will have bettered every mark and we can look forward to a good representation of Pacific College in the conference meet. Let's back them up!

COOPERATION

If you don't vote, you can't complain at what happens in the elections. That's either American History or Civics. If you never contribute to the Crescent, you shouldn't complain at the type of material published. That's logic, reasoning, and should be an urge. There is a good deal of news going to waste in the Academy. Will you be a good little shepherd and help gather it in?—D.

The Academy is glad to help Pacific along by furnishing Arloene Davey, Dennis McGuire, Ralph More, and Damon McKibben as officers in the Associated Student Body.

ACADEMY TUMBLING CLASS SHOWS EXCEPTIONAL ABILITY

Professor Terrell presented the Academy boys' tumbling class in a chapel program, Tuesday, March 19. Dressed in neat white jerseys and trousers, the entire class participated in the program.

After a short talk by Mr. Terrell the boys demonstrated rolls and dives in their fundamental aspects. Then came leap frog stunts and dives from the diving board through a hoop.

Orla Kendall displayed his ability to perform gainers. Terrell, Sandoz and he then executed front and back flips, and high and low foot balancing.

The two boys displayed great ability in their back flips, doing them from the mats, from the hands, the shoulders, and the feet of the thrower, who obligingly assumed the proper positions.

Fred Harle, assisting on the program, gave an exhibition of tight-rope walking. Fred was loudly applauded for his ability to walk back and forth on the rope stretched about six feet above the floor.

The previous three performers now delighted the audience with a high shoulder stand, and three man pyramids done on two tables. These were real thrillers.

The program closed with two pyramids by the class. The first, a walking pyramid, was composed of eleven boys, four of whom held the weight of the others and marched out on the platform and executed a left turn.

The group then fell out, lined up, and arranged themselves in formation for the "squash" pyramid. This placed four boys on their hands and knees, three on top of them, two higher up, and one man at the top. After holding this position for some time the entire group straightened out and heaped themselves in a pile on the floor. It was so well done that everyone came up smiling, as the curtains closed.

Those in the class are: Orla Kendall, Carl Sandoz, Fred Harle, Alfred Kendall, John Thorne, Veldon Diment, Eldon Newberry, Wesley Kaufman, and Cecil Newberry.

TENNIS SEASON BEGINS

Everybody is saying, "Well, spring is here. Everybody play this, or everybody turn out for that." That's getting old already and it is the opinion of the writer that something original should be propounded on that line.

Christmas is exactly nine months minus one day away, so it is time that many interested minds should be turned toward that exciting sport of tennis. Manager Choate, the keen minded pusher of this sport this year, has already begun hostilities against all opposing factors and has placed a tennis ladder in the gym directly alongside the main door leading to the gym floor. You say you don't know what a tennis ladder is? Well, it isn't the kind used to "get up" out of bed in the morning, nor is it the kind you use in hanging pictures. It is the kind of ladder on which the abilities of the twelve uppermost tennis masters are placed. All you have to do to climb is to defeat the fellow either one or two places ahead of you and change places with him.

To make the original placements of the men a number of lots were written and drawn by entering contestants. De Vine stepped out to start the ball rolling by defeating Post. The order on the ladder at the present time is as follows: Cole, Beals, Gatch, De Vine, Haworth, Post, Kendall, Jackson, Everest, Huntington, Whitlock, and Smith. Others may crash in on the ladder by defeating either of the last two men.

ATHENA SOCIETY ELECTIONS

The Athena Literary Society has chosen the officers who are to lead them for the remaining part of this year. The elections were held on March 13 in the parlor of the girls' dormitory. Officers chosen are:

Miss Verplank, faculty advisor
Meredith Davey, president
Winifred Woodward, vice-president
Elizabeth Aebischer, secretary
Mildred Smith, treasurer
Eloise Crozer, social committee chairman

Elizabeth Lingle, marshal
Margaret Weesner, critic
Marian Coffee, reporter
The installation will be held at the next meeting.

After the business, the meeting was turned over to the new members. Because of the proximity of St. Patrick's Day an Irish program was presented. The main feature was a play entitled "The Work-House Ward." The meeting was a success and they all parted with many a laugh.

BOYS' DINNER CLUB

"Pull it out quick," came the cry. It was nearly too late but the sandwich was still eatable. Occurrences of this kind are very frequent at the meetings of the Boys' Dinner Club, which meets in the Academy basement near the furnace. The boys toast their sandwiches in a variety of shades ranging from a delicate brown to an intense black. It has been discovered that two slices of bread wrapped around a raw egg and plenty of lettuce will develop into a deliciously crisp fried egg sandwich, if properly toasted. The boys have developed a great deal of skill and their appetites have responded nobly.

ACADEMY SKATING PARTY

Last Friday evening a group of Academy students enjoyed a skating party, followed by a social time at the Aebischer home. The young people roasted wieners about a bonfire and played games on the lawn. There were fourteen present: Mildred Smith, Lois Sears, Gladys Allison, Margaret Nordyke, Esther Russell, Orlean St. Onge, Martha

Rothrock, Elizabeth Aebischer, Cecil Newberry, Orla Kendall, Marvin Barnes, Alfred Kendall, Ronald Hutchens, John Thorne.

WHAT CAN IT BE?

What is it that has come over our school lately? Why, all last semester, as far as we know, Pacific and all her students were entirely natural, that is, except when the Governor called for a fire drill in the men's dormitory. And now look what we have! It must be a disease, otherwise why should everyone be so crazy to get away on roller skates about dinner time? Why should others climb in the Gov's car and set off for the mountain to view the sunset? What causes two girls to hike to Springbrook each day before breakfast, two well known tennis sharks to battle out a few sets every early morn, and a couple of other fellows to persist in taking up track work at 6:15 a. m.? What makes Coach Gulley "war whoop" continually during practice? Why does Spud Post flitter his rollicking tenor about in the atmosphere, and why does Miss Betts always ring the class bells three minutes late, and what makes the library clock stop? Why does Walt Taylor pose as an invalid in front of the girls, and how does Dame McKibben's hair curl so cutely? What causes Smitty to run about like a beheaded chicken, and Fire Chief Choate to look and sigh at the rain and say, "No work for me today?" Why does President Huntington call so many student body meetings for no good reason at all? Why can't the Academy students sit still in the library, and why does Phil Gatch wear knickers and a scarf to school? We know of a thousand and two other things that we could mention, such as Freshmen hunting bullfrogs on the front campus, but we're trying to get at the cause for all this foolishness. Yes, you've guessed it! Why, to be sure, SPRING has SPRUNG!

CHAPEL TALKS

March 12

Eldon C. Newberry spoke on "Boosting Your College." Mr. Newberry is the newly elected financial secretary for the college.

Pacific College has everything that goes to make a good college. What about college loyalty here?

Mr. Newberry suggested several advantages of the college, which may be emphasized to influence students to come here. Speaking of the climate, he said, "You have the most wonderful climate in the world." He mentioned the beauty of the scenery, terming this "the most beautiful sport in the Northwest." To the south is Crater Lake, to the north are the magnificent Columbia River and Columbia River Highway—far famed for grandeur of scenery. Right here is our own little city with its many churches and fine buildings.

In conclusion Mr. Newberry emphasized that Pacific is already one of the finest colleges in the country, and urged that the students encourage other young people to come here.

March 14

A brief student body meeting was held. In order to hasten selection of a student body play, the Dramatics manager was elected at this meeting. Genevieve Badley will fill this position. She will be chairman of a committee, the other members being chosen by her.

March 15

Dr. Lee, pastor of the Presbyterian church, spoke on cultivating a greater appreciation of the wonders of God. He emphasized the need of deeper devotional life and analytical study of the Bible.

The challenge comes to us to find God. He is hidden in His word. "The Word is the living Word and He is the Life," said Dr. Lee.

In conclusion he suggested that we study to see the wonders of the Christian experience, of the miraculous birth of Christ, and of the Bible, which preserves to us Christianity in its purity and beauty.

March 22

Chester Dimond, editor of the Newberg Graphic, was the speaker at the Friday chapel period. He told some of his experiences in the newspaper business, which, he said, had its "ups and downs" as any other business has.

In speaking of the interest of the work, Mr. Dimond said that it furnishes a complete change each week. "There is romance, ministry, love, and hope in it," he said.

In outlining his newspaper career, Mr. Dimond mentioned three chapters. His earliest experience was in a "one horse" town, where there were two newspapers. Later he moved to a larger town in a desert country. There he experienced sudden success at the time of a great oil rush, and as sudden loss.

From there he moved to Newberg where he has had several years of very interesting experiences in dealing with the public.

Mrs. Rebecca W. Smith spoke in Y. W., March 13, on the subject, "Mouths That Water Not."

She used several verses from the Bible as texts: "Blessed are they that hunger and thirst after righteousness, for they shall be filled," and "Open thy mouth wide and I will fill it." Some people do not hunger and thirst after righteousness; that is, "Mouths have they and they water not." She said that some people do not want to be Christians, because if they did they would like it, "and they just couldn't bear it." Other verses she used were: "This people draweth near me with their mouths, but their hearts afar off," and "Out of the same mouth come curses and blessing." Different kinds of mouths mentioned in the Bible are: of God, of babes, of the wicked, of the righteous, and of fools. She concluded with the words: "Whether ye eat or whether ye drink, whatsoever ye do, do it all for the glory of God."

March 20

The annual elections of the Y. W. C. A. were held on March 20. The following officers were elected:

President—Genevieve Badley
Vice-President—Elisabeth Carey
Secretary—Helen Whipple
Treasurer—Elinor Whipple
Under-Graduate Representative—Ethel Newberry.

wards kept the ball above the heads of the shorter Pacific guards and consequently converted enough of numerous wild shots to bring their number of points to their final total. The scores each half was about the same for each sextet.

Meredith Davey had her eagle eye directed on the basket throughout the first half and did most of the scoring in that canto. In the second half Esther Roberts began locating the basket and caged several herself. Dorothea Nordyke, jumping center, and Dorothea Woods, side center, handled the ball well, making several well directed passes to the forwards so that those girls were able to make baskets as a result. The Pacific guards, Irene Brown and Lillian Barnes, were greatly handicapped because of the elongated longitude of the opposing forwards. Nevertheless these two girls played one of their best games of the year and by extreme activity on their part kept the Reed forwards working for every point. Rachel Lundquist was substituted for Irene Brown during the third quarter.

The Y. M. meeting Wednesday, March 20, was led by Dr. Clark of the Free Methodist church. The meeting opened with song, after which Dr. Clark brought a most helpful message on "The Christian Way of Life."
